KIT PETZL ASAP LOCK VERTICAL LIFELINE vertical lifeline for belaying and increased fall protection with ASAP LOCK mobile fall arrester and locking system.

Description

Insuring yourself and limiting the risk of falling are imperative in the mountains. The ASAP LOCK VERTICAL LIFELINE kit from PETZL offers numerous advantages for ensuring safety at height.

- A mobile ASAP fall-arrester device for moving on the rope without manual intervention, with integrated blocking system to reduce the height of fall.
- A pre-assembled kit for direct use of a ready-to-use device, reducing the risk of assembly errors.
- Easy sliding of the rope in the ASAP, in the first few meters, thanks to ballast
- Simple storage and transport with the BUCKET bag

Contents of the PETZL ASAP VERTICAL LIFELINE kit:

- ASAP LOCK mobile fall arrester
- 40 cm ASAP'SORBBER energy absorber
- Two OK TRIACT-LOCK karabiners
- 150 cm ANNEAU webbing ring
