PETZL ASAP LOCK FALL ARREST kit with locking function in the ASAP mobile fall arrester to reduce the height of the fall. Equipment for optimum fall protection. With NEWTON harness.

Description

The mountains are a magical but potentially dangerous world. The ASAP LOCK FALL ARREST kit from PETZL brings together a range of essential equipment to make mountain outings safer.

- A NEWTON harness with a FAST sternal buckle to open and close the harness in the blink of an eye.
- An ASAP mobile fall arrester that slides along the rope without the need for any manual intervention, with an integrated locking system to reduce the height of the fall
- A pre-assembled kit for a ready-to-use safety package to prevent assembly errors
- Ballast to facilitate rope sliding in the ASAP for the first few meters
- Easy storage and transport of the kit using the BUCKET bag

The ASAP FALL ARREST kit from PETZL includes the following equipment:

- NEWTON fall arrest harness, European version
- ASAP LOCK mobile fall arrester
- 40 cm ASAP'SORBER energy absorber
- Two OK TRIACT-LOCK carabiners
- 150 cm ANNEAU webbing ring
- ASAP'AXIS 11 mm rope with sewn termination
- 400 g of ballast
- 30-liter BUCKET bag

The kit is available in 4 versions:

- 10 m rope with size 1 harness (3665 g)
- 10 m rope with size 2 harness (3695 g)
- 20 m rope with size 1 harness (4465 g)
- 20 m rope with size 2 harness (4495 g)

3-year warranty.
