PETZL FALL ARREST AND WORK POSITIONING kit for fall arrest and work positioning with VOLT harness, ABSORBICA-Y 150 MGO lanyard and GRILLON HOOK.

Description

Working at heights requires safe equipment for safe missions. What if you set off with a set of systems that's already ready to use? The PETZL FALL ARREST AND WORK POSITIONING Kit includes all the reliable devices you need for safe working.

- A VOLT harness that's easy to put on, with a belt equipped with a FAST LT PLUS buckle (no loss of adjustment) and thigh loops designed with FAST LT buckles.
- ABSORBICA-Y lanyard with elasticized strands so as not to impede progress
- Shoulder straps with MGO storage system for fall arresters (absorber deployment in the event of a fall)
- A GRILLON HOOK lanyard with progressive adjustment mechanism to adapt precisely to the length you need to work comfortably.
- Easy storage with the BUCKET bag

The PETZL FALL ARREST AND WORK POSITIONING Kit contains the following devices:

- VOLT fall arrest and work positioning harness, European version
- ABSORBICA-Y European version 150 cm double lanyard with energy absorber and MGO wide-opening connectors
- Adjustable work positioning lanyard GRILLON HOOK European version, 2 m
- Two OK TRIACT-LOCK carabiners and two CAPTIV holding bars
- 30-liter BUCKET bag

The kit comes with two harness sizes: size 1 (4970 g) or size 2 (5050 g).
