https://www.securhit.com/en/anchors-and-tie-back-systems/590-amarrage-pack-de-10-ampoules-bat-inox.html

PETZL bulb glue for BAT'INOX mooring, pack of 10. Chemical seal with integrated hardener in a glass ampoule. The ideal product for creating a solid anchoring point.

Description

Working at heights requires extra vigilance. In this context, it's important to focus on the safety of professionals: so it's best to opt for safe equipment. PETZL's BAT'INOX anchoring glue in ampoule form simplifies the installation of anchoring points on concrete or rock.

BAT'INOX mooring glue is available in ampoule form to simplify anchor installation and avoid wastage. It is essential to ensure that the glue is compatible with the rock (see glue instructions).

Chemical sealant with integrated hardener in a glass ampoule.
