Robust 11 mm diameter rope for working at height

Description

The 11 mm diameter industrial semi-static rope is the benchmark for lightness and strength. Ideal for working at height.

What's more, it has a special sheath construction that makes it easy to handle and gives it record resistance per gram.

Caractéristiques

- Breaking load : 37.3 kN
- Force de choc : 5.10 kN
- Résistance aux noeuds : 15 kN / 3 min
