Robust 12 mm diameter rope for working at height

Description

The 12 mm diameter industrial semi-static rope is the benchmark for its safe diameter and strength. Ideal for working at height.

What's more, it has a special sheath construction that makes it easy to handle and gives it record resistance per gram.

Caractéristiques

- Breaking load : 44.6 kN
- Force de choc : 5.2 kN
- Résistance aux noeuds : 26.9 kN
