PETZL TANDEM PULLEY

https://www.securhit.com/en/pulleys-and-ascenders/615-poulie-double-petzl-tandem.html

PETZL TANDEM double pulley for rope-assisted zip lines. Specifically designed to accommodate up to three carabiners. Excellent performance.

Description

When it comes to working at height, certain equipment is the best way to ensure professional safety. It's essential to choose the right devices for the job. PETZL's TANDEM pulley is specifically designed for rope access.

It features aluminum sheaves, a material that is both lightweight and ultra-resistant. Mounted on self-lubricating bearings, they ensure excellent performance. The pulley accepts up to three carabiners to simplify manoeuvring.

Ropes compatible with diameters up to 13 mm.
Efficiency: 71%.
Maximum working load: 10 kN.

Caractéristiques

- Weight : 195 g
