Small-capacity PETZ PERSONAL caving bag. Durable, waterproof and comfortable 15-liter equipment for reliable long-term use.

Description

When caving, you need to equip yourself with specific accessories to resist water and abrasion. PETZ's PERSONNEL caving bag is particularly well-suited to carrying canisters and your equipment. Features:

- PVC-free TPU tarpaulin for flexibility and strength
- Welded body and bottom for added strength
- A high level of waterproofing
- Overmolded handles on both sides of the bag
- Tanka closure blocker for ultra-simple closing
- Floating cord lanyard (length 90 cm)

The PETZ PERSONNEL bag is available in a yellow/black version.
