

PETZL TOUR HARNESS

https://www.securhit.com/en/harnesses-and-belts/645-849-harnais-petzl-tour.html#/765-taille_c020ba-s_m

Tough, lightweight PETZL TOUR harness for glacier environments and ski touring. Easy to handle, comfortable when walking and hanging.

Description

If you love glacier trekking and ski touring, the PETZL TOUR harness is your safety partner. A technical, practical and comfortable piece of equipment with many strong points.

- A harness that can be put on with your feet on the ground
- Easy handling with DOUBLEBACK buckle and tightening strap
- FRAME technology with central strap to redistribute weight between waistband and thigh straps
- Highly resistant design thanks to high-quality, durable materials
- Color-coding to distinguish inside from outside straps
- Single roping point
- Two gear loops
- Silicone-coated inner thigh loops (for effective holding of ice screws)
