Tough, lightweight PETZL TOUR harness for glacier environments and ski touring. Easy to handle, comfortable when walking and hanging.

### Description

If you love glacier trekking and ski touring, the PETZL TOUR harness is your safety partner. A technical, practical and comfortable piece of equipment with many strong points.

- A harness that can be put on with your feet on the ground
- Easy handling with DOUBLEBACK buckle and tightening strap
- FRAME technology with central strap to redistribute weight between waistband and thigh straps
- Highly resistant design thanks to high-quality, durable materials
- Color-coding to distinguish inside from outside straps
- Single roping point
- Two gear loops
- Silicone-coated inner thigh loops (for effective holding of ice screws)
