

PETZL AQUILA HARNESS BLACK

https://www.securhit.com/en/harnesses-and-belts/650-872-harnais-petzl-aquila-noir.html#/788-taille_c037ba-s

PETZL AQUILA BLACK climbing and mountaineering harness, comfortable and lightweight, ideal for performance in sport or traditional climbing and mountaineering. Great freedom of movement.

Description

Comfort during long suspensions, versatility, great freedom of movement: PETZL's AQUILA NOIR harness has it all. A harness for classic or sport climbing and mountaineering.

- Wide, comfortable, bias-free waistband
- DOUBLEBACK HD buckles for easy adaptation to individual thigh sizes
- Highly flexible thigh connections
- Design with FUSEFRAME technology: fine thermoformed foam and split inner straps for added comfort
- A large gear loop on the back for bulky gear, two semi-rigid front gear loops and two softer rear loops for easy donning and doffing of quickdraws
- A ring on the back of the harness for carrying accessories
- CARITOOL EVO compatibility for ice screws
- Reinforced HDPE tie-in points to limit wear caused by the rope
- Adjustable, removable elastics behind the thighs
- Outer fabric specially designed to resist abrasion
