PETZL EXPRESS SLING

https://www.securhit.com/en/anchors-and-tie-back-systems/651-876-sangle-petzl-express.html#/792-taille_c040ca-11_cm

Ergonomic PETZL EXPRESS sling with STRING protection, ideal for working on routes. Available in three different lengths (11, 17 and 25 cm) depending on use.

Description

Looking for a tough, practical sling? PETZL's EXPRESS sling is perfectly suited to working on routes. In particular, it is used to stabilize the carabiner and prevent wear and tear over time.

- Ergonomic shape for a secure grip
- High performance at low weight
- Fully equipped for intensive use
- A STRING at the lower end stabilizes the carabiner when clipping and protects the sling.

EXPRESS webbing is available in three sizes: 11, 17 and 25 cm.

11 cm webbing: 15g.
17 cm webbing: 21g.
25 cm webbing: 30g.

Resistance: 22 kN.
