

PETZL CARITOOL TOOL HOLDER

https://www.securhit.com/en/bags-and-storage/677-976-porte-outils-petzl-caritool.html#/892-_modele_p042aa-s

PETZL CARITOOL tool holder for harness. Specially designed for one-handed tool storage. Practical and durable, with a retaining tab for reliable positioning.

Description

When working at height, it's important to combine practicality and efficiency. PETZL's CARITOOL tool holder is an essential accessory for any professional working in high-risk areas.

- Designed for easy, one-handed removal and storage of tools.
- A retaining tab for secure positioning in harness straps
- A hole at the top of the tool-holder to secure the equipment in place
- A top section designed for sorting and organizing tools
- Reduced risk of accidental snagging thanks to the plastic cover incorporated into the finger

Two sizes: S or L.

Weight: 35 g (size S), 75 g (size L).

Maximum load: 5 kg for model S, 15 kg for model L.
