Compact, versatile PETZL FIXE pulley for quick rope installation. A mechanical locking device, ideal for hauling and deviating loads.

Description

When working at height, it's important to have equipment that's specifically designed to make everyday life easier for professionals. PETZL's FIXE pulley is the ideal accessory for a wide range of maneuvers.

- Quick rope installation thanks to fixed flanges and coupling with the mechanical rope clamp.
- Specially designed for hauling and deviating loads
- Excellent performance thanks to self-lubricating sheave on bearings
- Easy to use with OK or WILLIAM carabiners

The FIXE pulley is available in yellow or black. Compatible with ropes from 7 to 13 mm.
Sheave diameter: 21 mm.
Yield: 71%.
Maximum working load: 2.5 kN x 2 = 5 kn.
