Ergonomic, comfortable PETZL DUFFEL bag with several carrying options. Specially designed for use in all means of transport. 65 or 85 liters.

Description

Practical storage equipment, with a range of carrying options for easy, everyday use? PETZL's DUFFEL bag has been specially designed to facilitate the transport of goods.

- Great comfort with adjustable, padded back and shoulder straps
- Can be worn as a backpack or over the shoulder
- Optimized volume thanks to four compression straps
- Quick-release buckles for easy removal of shoulder straps
- Large D-shaped opening
- Two pockets (one on the inside flap, with a key-ring loop)
- Large side pocket with zip
- A transparent space at the top of the bag for quick identification
- Four handles all around the bag
- Eight equipment-carrying straps inside the bag
- Padlockable sliders
- Ultra-strong TPU tarpaulin (PVC- and chlorine-free), resistant to UV, grease, high and low temperatures
- High abrasion resistance thanks to welded bottom and sides
- Corrosion-resistant steel connection loops on shoulder straps

The bag is available in two different colors (yellow or black) and in two volumes, 65 or 85 liters.
