

PETZL TOOLBAG POUCH

https://www.securhit.com/en/bags-and-storage/697-1078-pochette-petzl-toolbag.html#/994-taille_s047ba-15_l

Heavy-duty PETZL TOOLBAG tool pouch for tool storage. Quick connection to harness, easy to open and close. Available in three sizes: 1.5, 3 or 6 liters.

Description

Having your tools close at hand makes it easier for professionals to work at height. PETZL's TOOLBAG is a must-have for anyone working in confined spaces or high-risk areas.

- 1.5-liter volume for storing small items such as screws, nails and bolts
- A 3-liter volume ideal for storing small tools
- A 6-liter volume to carry all the tools needed for a mission (with two hammer holders)
- Easy to open and close (with tanka cord lock)
- Ultra-strong, durable design with waterproof TPU tarpaulin resistant to UV, oil, high and low temperatures
- Easy-to-use INTERFAST accessory to connect the pouch to the harness in a flash, via a standard connector

1.5-liter pouch: 100 grams

3-liter pouch: 140 grams

6-liter pouch: 245 grams
