

PETZL TIKKINA HEADLAMP

https://www.securhit.com/en/lampes-frontales/712-1102-lampe-petzl-tikkina.html#/1018-couleur_e060aa-gris

PETZL TIKKINA 300 lumen headlamp, battery-powered or compatible with a rechargeable battery. Compact, with three lighting levels and adjustable headband.

Description

Are you a night-time adventurer? A good headlamp is the perfect companion for your night-time activities! PETZL's TIKKINA headlamp is your ally for evening strolls, reading under the stars or observing wildlife in the dark.

- A wide, perfectly homogeneous beam with no shadow spots, irregularities or glare, for excellent visual comfort.
- IPX4 weatherproofing
- A choice of three lighting levels: MAX BURN TIME (longer runtime), STANDARD (excellent power/runtime ratio) and MAX POWER (maximum power)
- Ease of use with a single button, a plate to direct the light in the desired direction and an adjustable headband (easy to remove for washing)
- HYBRID CONCEPT design with three AAA/LR03 batteries (included) or rechargeable CORE battery (not included)

PETZL's TIKKINA headlamp is compatible with HELMET ADAPT and BIKE ADAPT 2 bindings. So you can mount it on your bike helmet or handlebars. Please note, however, that it is not certified for road use. To be complemented by bike-friendly lighting!

Compatible batteries: alkaline, lithium or rechargeable Ni-MH
