PETZL BINDI 200 lumen headlamp, ultra-compact and comfortable. Very light (35 grams), ideal for everyday sports activities. Three lighting levels.

Description

Doing activities with almost imperceptible accessories? If you like running at night or mountaineering at dawn, PETZL's BINDI headlamp is your ally. We love its minimalist design and light weight, making it easy to cover several kilometers.

- Three lighting levels: MAX BURN TIME (6 lm for 50 hours of runtime), STANDARD (100 lm for 3 hours of runtime) and MAX POWER (200 lm for 2 hours of runtime).
- A fixed red light with 33-hour runtime and a flashing red light that can operate for 200 hours
- Slim headband with reflective thread
- Ultra-light 35 grams
- Very comfortable to wear
- 680 mAh Lithium-Ion battery for recharging via micro USB plug, with visual indicator during charging
- IPX4 waterproofing, ensuring resistance to water splashes
- Two LOCK functions to prevent accidental switch-on
- Can be tilted upwards for use around the neck

The PETZL BINDI headlamp is available in three colors: black, orange and emerald.
Guaranteed for 3 years or 300 charging cycles.
