Lightweight PETZL VERTIGO via ferrata kit, complete with SCORPIO VERTIGO lanyard, CORAX harness and BOREO helmet. Two harness sizes available.

Description

Is via ferrata your thing? Set off along the cliffs with the right equipment to ensure your safety! PETZL's VERTIGO via ferrata kit includes everything you need to enjoy your sessions with complete peace of mind. It includes several accessories.

The SCORPIO VERTIGO via ferrata lanyard:

- For users between 40 and 120 kg
- A lightweight, highly resistant piece of equipment with two elasticated strands and one short strand.

CORAX adjustable harness (size 1 or 2):

- Easy-to-adjust belt and thigh loops thanks to DOUBLEBACK buckles
- Great comfort in use

BOREO helmet:

- An essential, impact-resistant accessory
- Full-coverage design for effective impact protection on the sides, front and back
- Easy to adjust to individual body shape

Size 1 harness kit: 1180 g
Size 2 harness kit: 1230 g
