Asymmetrical screw-lock carabiner PETZL ROCHA SCREW-LOCK, very compact and ultra-light pear-shaped. Secure locking and excellent strength-to-weight ratio.

Description

Secure your carabiners with the ROCHA SCREW-LOCK screw-lock carabiner from PETZL! An essential piece of equipment for long-distance climbing and mountaineering. The result: easier maneuvering throughout your outings!

- Asymmetrical design with an H-shape for added strength
- Ultra-light weight: 45 g
- Ultra-compact size to lighten your load during long outings
- Excellent grip and locking thanks to the SCREW-LOCK locking ring
- A visual indicator to check that the ring is closed properly
- No unintentional snagging thanks to the spout and Keylock system

The PETZL ROCHA SCREW-LOCK carabiner is available in two colors, orange and gray.

Large axis resistance: 20 kN
Short pin strength: 7 kN
Open finger strength: 6 kN
Opening: 20 mm
