

PETZL KLIFF ROPE BAG

https://www.securhit.com/en/bags-and-storage/737-1179-sac-a-corde-petzl-kliff.html#/1095-couleur_s010aa-gris

PETZL KLIFF rope bag for carrying climbing gear. Comfortable, practical equipment for direct access to your climbing accessories.

Description

All climbers want to protect their gear, but also optimize their comfort and organization during outdoor activities. PETZL's KLIFF rope bag is specially designed for cliff climbing. Practical, it protects the rope from dirt, dust and moisture.

Complete equipment

- Large volume (36 liters) for storing up to 100 meters of rope or a double rope, with the option of adding climbing gear such as harness, quickdraws and shoes.
- High-quality, abrasion-resistant outer fabric design

Easy to use

- Wide opening with zip and hook on the back, to protect the back from contact with the ground
- A 140 x 140 cm protective tarpaulin inside the bag, which can be detached to place the rope on a clean surface
- Four handles, two of which are color-coded for easy placement and identification of rope ends
- Two sewn-on handles inside the bag
- A storage pocket above the equipment
- A dedicated handle for carrying the bag

Great comfort

- Adjustable shoulder straps with foam padding
- Chest strap to hold straps in position

The PETZL KLIFF rope bag is available in two colors: gray and orange/red.
