PETZL ALCANADRE canyoning bag, comfortable and practical, with perforations for water drainage. Available as a 30-liter ALCANADRE CLUB or 45-liter ALCANADRE GUIDE.

Description

Canyoning activities deserve a great deal of attention for safe fun. Quality equipment is obviously part of the trip! The ALCANADRE canyoning bag from PETZL is available in two models, the 30-liter CLUB and the 45-liter GUIDE. Choose according to use: in discovery mode for beginners or for seasoned practitioners!

CLUB 30-liter model

- Padded shoulder straps for greater comfort
- Excellent carrying stability thanks to adjustable chest strap
- Large opening for easy rope removal and storage
- Drawstring with strong tanka for quick closure
- Perforated sides and bottom for convenient water drainage
- Three different-colored rings inside for hanging rope ends and rescue equipment
- Easy carrying thanks to preformed, reinforced top handle with protective sheath
- Special marking area inside the bag
- TPU tarpaulin and reinforced welded tarpaulin bottom (excellent sturdiness)
- A lightweight bag (885 grams)

The PETZL ALCANADRE CLUB bag is available in green/black.

GUIDE 45-liter model

- Padded back, shoulder straps and waistband
- Adjustable chest strap
- Removable waist belt
- Drawstring with durable tanka
- Flap for easy closure
- Side and bottom perforations for convenient water drainage
- Easy-to-remove/replace divider between top compartment (with rigid front) and bottom compartment

(opens for direct access to water bottle)

- Easy transport thanks to preformed top handle and front handle
- Two distinctly colored rings in the bag, convenient for hanging rope ends
- Quick access to first-aid equipment thanks to a patch pocket inside the bag
- Flap with mesh pocket for small equipment
- A special marking zone on the outside (for quick identification of the bag)
- Ultra-strong TPU tarpaulin and reinforced welded tarpaulin bottom
- Reinforced top handle with protective sheath

The PETZL ALCANADRE GUIDE bag is available in orange/black.

Weight: 1745 g
