PETZL YARA rope bag for canyoning, ergonomic, comfortable and ultra-resistant. Ideal for carrying ropes and facilitating handling.

Description

Is canyoning your passion? Equip yourself with quality equipment to make the most of it! PETZL's YARA rope bag is a must-have for your outings. Easy to use, practical and sturdy, choose between a 15-liter (YARA CLUB) or 25-liter (YARA GUIDE) model!

- Convenient transport, with no risk of tangling the rope with other accessories
- The YARA CLUB bag can be stored in the ALCANADRE CLUB 30 or GUIDE 45 bag, and the YARA GUIDE bag in the ALCANADRE GUIDE 45 bag.
- Buoyancy assured by foam in the back of the bag
- Heavy-duty tanka drawstring for quick opening and closing
- Perforated sides and bottom to allow water to drain away
- Two different-colored rings in the bag, handy for securing rope ends
- Two ultra-strong handles: one on the top and the other on the front of the bag
- Exterior marking zone for quick identification
- Excellent abrasion resistance thanks to TPU tarpaulin and welded bottom

The YARA GUIDE rope bag (orange/black) is ideal for independent canyoning enthusiasts and instructors. The YARA CLUB (green/black), on the other hand, is perfect for collective canyoning.
