Maxi crashpad PETZL CIRRO for safe bouldering. An excellent piece of protective equipment to cushion falls when bouldering.

Description

Enjoy bouldering sessions? Enjoy safe climbing with PETZL's CIRRO maxi crashpad! With this equipment, there's no risk of hurting yourself by falling. It cushions falls and provides great comfort on landing.

- Large dimensions: 148 x 118 x 12.5 cm
- Excellent cushioning thanks to three foam layers of different density and structure
- One-piece construction with no folds to ensure uniformity throughout the crashpad
- PETZL patented folding system (zipped flap closure covering the carrying device)
- Easy transport thanks to adjustable shoulder strap, numerous handles, shoulder straps and belly and chest belts (also adjustable)
- Can be used as a sofa
- Extremely robust, thanks to waterproof fabric with reinforced exposed areas, protected corners and seams

The PETZL CIRRO crashpad is available in orange and black.
