Crashpad PETZL ALTO for safe bouldering. A must-have piece of protective equipment to cushion falls during bouldering sessions.

Description

Do you like climbing? Are you more of a bouldering person? You'll love climbing in complete safety with PETZL's ALTO crashpad. This accessory is a must-have for cushioning falls, while providing a high level of comfort.

- Excellent cushioning thanks to three layers of foam, with different densities and structures
- Fold-free, one-piece construction for uniformity across the entire crashpad
- PETZL-patented folding system for added security (zipped flap closure covering the carrying device)
- Easy carrying thanks to adjustable shoulder strap, numerous handles, shoulder straps and belly and chest belts (also adjustable)
- Can be used as a sofa
- Sturdy, waterproof fabric with reinforced exposed areas, protected corners and seams

The PETZL ALTO crashpad is available in orange and black.
