ROPE FOR PETZL CRICKET

https://www.securhit.com/en/lanyards-and-absorbers/786-1373-corde-pour-grillon-petzl.html#/1189-modele_l052-u_2_m

Spare rope for PETZL GRILLON U, PLUS U, HOOK and MGO. Ideal for designing a work-holding system to complement a fall-arrest device.

Description

The GRILLON adjustable lanyard is designed for use as a work positioning system in conjunction with a fall-arrest device. However, despite its high resistance, you may need to change it after a significant number of uses. PETZL's GRILLON replacement rope is ideal for extending the life of the GRILLON lanyard system.

- For GRILLON, GRILLON Mooring and GRILLON Lifeline: lengths of 2, 3, 4 and 5 m for GRILLON and GRILLON Mooring, 5, 10, 15 and 20 m for GRILLON Lifeline.
- For GRILLON HOOK: four sizes available for each version, European or international (2, 3, 4 and 5 m).
- For GRILLON MGO U: 2 or 3 m length.
- For GRILLON PLUS: 2 or 3 m long.

The rope is available in beige/yellow, white/yellow or black, depending on the model.

Caractéristiques

- Size : entre 2 et 20 m
