PETZL FLOW 11.6 MM ROPE

https://www.securhit.com/en/ropes-and-cords/788-1396-corde-petzl-flow-116-mm.html#/1212-modele_r079aa-vert_35_m

PETZL FLOW 11.6 MM semi-static rope for pruning. Lightweight, flexible and durable (EverFlex technology), this rope offers excellent performance.

Description

When it comes to pruning, you need equipment that's both robust and durable. PETZL's FLOW rope, with its slim 11.6 MM diameter, offers excellent performance when working at height.

- Solid, 100% polyester, double-braided design
- A patented, compact spliced end for easy insertion into various devices (pulleys, false forks, etc.) and easy passage through the blocking chain of ZIGZAG and ZIGZAG PLUS mechanical prusiks.
- Reduced rope elongation when tensioned
- Long-lasting flexibility thanks to EverFlex technology
- Good performance even in wet, muddy or dusty conditions

PETZL FLOW rope is available in green or orange.
Three lengths available: 35, 45 and 60 m.

Strength with figure-of-eight knot : 15 kN.
Resistance with splice: 15 kN.
Impact force (factor 0.3): 5.2 kN.
Number of falls factor 1: 8.
Construction: 24 spindles.
Sheath percentage: 55%.
Static elongation: 2.8%.

Caractéristiques

- Material : polyester
- Poids au mètre : 102 g
- Certifications : CE EN 1891 type A, ANSI Z133, UKCA
