PETZL VOLTA GUIDE ORANGE 9 MM ROPE

https://www.securhit.com/en/ropes-and-cords/796-1444-corde-petzl-volta-guide-orange-9-mm.html#/1260-modele_r36-30_m

9 mm diameter PETZL VOLTA GUIDE ORANGE rope. Ultra-lightweight, ideal for performance climbing and mountaineering, with UIAA Dry Guide treatment.

Description

Looking for the ultimate in climbing and mountaineering performance? Between strength, lightness and specific treatments, PETZL's VOLTA GUIDE ORANGE rope brings precious advantages to your climbing sessions.

- A very light weight of 54 g/m and a compact 9 mm diameter for high performance climbing.
- EverFlex heat treatment for excellent rope homogeneity
- Specific ClimbReady coiling to preserve fibers and limit the risk of twisting
- Enhanced durability thanks to the hydrophobic Guide UIAA Dry treatment, which limits water absorption by the rope (to less than 2%)
- UltraSonic Finish, which enables the core and sheath to be joined at the ends (increasing the rope's durability)
- Excellent suppleness to ease slack in belay devices and simplify coiling
- Safer control with the 40-spindle grip

The PETZL VOLTA GUIDE rope is available in orange.

Sheath percentage: 39%.
Number of falls factor 1.77: 5 (single), > 20 (double), > 25 (twin).
Static elongation: 7.6% (single), 7.6% (double), 4.4% (twin).
Dynamic elongation: 34% (single), 30% (double), 27% (twin).
Impact force: 8.5 kN (single), 6.6 kN (double), 10.4 kN (twin).
Construction: 40 spindles.

Caractéristiques

- Material : Polyamide
- Poids au mètre : 54 g
- Certifications : CE EN 892, UKCA, UIAA
