PETZL ABSORBICA-I 80 CM LANYARD

https://www.securhit.com/en/lanyards-and-absorbers/813-longe-petzl-absorbica-i-80-cm.html

PETZL ABSORBICA-I 80 CM single lanyard with integrated compact energy absorber. Offers several ways of connecting to the harness and accepts various types of connectors.

Description

Looking for a simple but safe safety device? The ABSORBICA-I 80 CM single lanyard from PETZL is specifically designed for progression on a horizontal lifeline, rope or cable, or on an elevating platform without a split passage. A piece of equipment with many advantages!

- Excellent energy absorption thanks to progressive tearing of the energy absorber strap
- Use for weights between 60 and 140 kilograms
- Maximum length of 100 centimetres (with connectors)
- Compact design of the energy absorber
- Wear protection for the absorber thanks to the resistant fabric pouch and its simplified opening system.

The PETZL ABSORBICA-I 80 CM lanyard can be attached to the harness in two ways:

- With a carabiner held in place by a STRING accessory, offered with the lanyard
- With an openable RING OPEN ring for optimum positioning.

At the end of the lanyard, a carabiner or MGO OPEN wide-opening connector can be attached.

Caractéristiques
