PETZL ABSORBICA-I FLEX 150 CM LANYARD

https://www.securhit.com/en/lanyards-and-absorbers/814-longe-petzl-absorbica-i-flex-150-cm.html

PETZL ABSORBICA-I FLEX 150 CM single lanyard with integrated energy absorber. For progression on a horizontal lifeline or on a lifting platform without the need for a split passage.

Description

Equipment for working at height must combine practicality and reliability. That's why PETZL's ABSORBICA-I FLEX 150 CM single lanyard will become an indispensable part of your climbing gear! It has been specially designed for use on a horizontal lifeline (rope or cable) or an elevating platform, without the need for a split.

- Excellent shock absorption with progressive tearing of the energy-absorbing webbing.
- Use for weights between 60 and 140 kilograms
- Maximum length of 200 cm to CE standard EN 355 or 183 cm to ANSI standard Z359.13
- Compactness of the energy absorber means it takes up very little space
- Progress assured by the elasticated webbing strand
- Wear protection for the absorber thanks to the resistant fabric pouch and its simplified opening system

The ABSORBICA-I FLEX 150 CM lanyard from PETZL can be attached to the harness in two ways:

- With a carabiner held in place by a STRING accessory, supplied with the lanyard
- With an openable RING OPEN ring for optimum positioning
