Description

Taking care of your equipment is essential for maximum durability. PETZL's TARP rope cover is specially designed to preserve the quality of your ropes. Its generous 140 x 140 cm dimensions provide a large, clean surface for your equipment.

- Protection against dirt and dust
- Equipment for small or long ropes
- Easy storage, without having to coil the rope
- Four handles for easy transport
- Color-coded to identify rope ends
- An orange color that delineates the contours of the tarpaulin in the blink of an eye
- High abrasion resistance thanks to coated fabric

The TARP tarpaulin by PETZL can also be hung high up to protect against UV rays or rain.
