Marine Braided Belt with Silver Metal Buckle - Comfort and Durability

### Description

Marine-colored braided belt with a silver metal buckle, combining strength and comfort. The high-quality cotton webbing provides reliable support while remaining comfortable to wear. Its elegant and functional design makes it suitable for professional use where durability and comfort are essential.

Specifications:

- Dimensions: 140 x 3.2 cm
- Material: durable cotton webbing
- Buckle: solid, long-lasting silver metal
- Adjustable and versatile: fits a wide range of sizes

Benefits:

- Optimal comfort thanks to soft, breathable material
- High resistance for intensive use
- Professional and elegant design

Professional Applications:

Suitable for environments requiring reliable and durable equipment, this marine braided belt combines quality, strength, and practicality.
