Milwaukee M18 FRAD2-0 Cordless drill / screwer

### Description

The MILWAUKEE M8 FRAD2-0 cordless drill/driver is electronic with tool and battery overload protection. Its compact design allows access to confined areas. It also has a lighted gauge of available runtime as well as a powerful timed LED light.

Its brushless POWERSTATE<sup>®</sup> motor providing a 152mm diameter drilling capacity that is ideal for plumbing and air conditioning work.

The REDLITHIUM<sup>®</sup> battery offers significantly improved performance and runtime (75 holes with a 65mm self-penetrating bit), a flexible battery system and works with all Milwaukee<sup>™</sup> platform tools and a 13mm keyed chuck.

(Product comes without battery/charger)
