Anorak FORCE MONTURA

Description

The FORCE Anorak is unisex and designed to be used as a base or intermediate layer.

Comfortable and functional, it is ideal for mountain rescue professionals. Made from a tough, breathable thermal fleece fabric, it ensures a comfortable body temperature. In addition, its bi-stretch fibres offer great flexibility of movement for progressing in difficult terrain.

Features:
- Bi-stretch polyester thermal fleece fabric.
- Jersey shoulder fabric
- Micro-mesh structure in back for moisture wicking.
- 2 zipped chest pockets.

Caractéristiques

- Weight : 390 g
