OPERATOR LIGHT Pants MONTURA

### Description

Functional and practical, the OPERATOR LIGHT pants are designed for ground and helicopter rescue professionals.

This unisex model is made from a double-weave stretch nylon fabric that guarantees high abrasion and tear resistance. In addition, the knee area is reinforced with felt padding to protect against chafing and wear.

A DWR water-repellent treatment applied to the fabric offers protection against external moisture and ensures its breathability.

Features:

- Reflective stripes, depending on model.
- Elasticated waistband, snap and Velcro opening .
- Zipped hand and hip pockets.
- Rear zip pocket.

### Caractéristiques

- Weight : 430 g
