

4 PIECES PRIVACY SCREEN 180 X 180 CM

<https://www.securhit.com/en/markings-and-signaling-equipment/906-ecran-brise-vue-4-elements-180-x-180-cm.html>

4 pieces privacy screen 180 x 180 cm

Description

This mobile screen is designed for rescue workers and emergency services. It can be set up quickly, protecting victims while ensuring peace of mind and concentration during the intervention.

Only one person is needed to deploy and stabilize the sight-breaker. Extendable in length, its fiberglass frame and steel support feet immediately give the protective screen its rigidity, ensuring a stable position.

Technical specifications :

- 100% opaque polyester fabric.
- Composed of 4 segments 180 cm long and 180 cm high.
- Compact carry bag for easy storage.

Available in red on request.
