

## CONTROL PANEL FOR SCBA WITH TIMERS

<https://www.securhit.com/en/reconnaissance/926-tableau-de-gestion-pour-ari-cg-avec-minuteurs.html>

SCBA control panel with case, card holder and timers

### Description

The SCBA management board groups together control tags to monitor the number of people in the danger zone, and to track and control the time taken by SCBA wearers to enter the zone.

All kit components are grouped together in a single case.

The set includes :

- 5 timers
- 10 red ARICO 300 bar cards
- 10 ARICO 200 bar yellow cards
- 10 white ARICF cards
- 10 connectors for attaching beacon keys
- colored stickers to identify type of SCBA
- 2 pencils and 1 dry-erase board.
- Protective carrying case.

Control board specifications :

- Dimensions 37 x 26 cm
- Rope for hanging
- Magnetic strips on back for easy installation on metal surfaces (truck, siding, etc.).

Dry-erase board features:

- Lanyard for hanging
- Magnetic strips on back

Case features :

- Made of high-quality polypropylene
- Metal pin hinge
- 90° opening
- Polyamide clasp
- Dimensions 33 x 38 x 9 cm
- Foam protection inside
