

CAMP GT SIT SIT HARNESS SIZE S-L

https://www.securhit.com/en/harnesses-and-belts/952-2290-harnais-cuissard-camp-gt-sit-taille-s-l.html#/1910-taille_216501-l_xx1

Camp GT SIT sit harness

Description

The GT SIT sit harness features innovative linking straps between the waistband and the thighs to provide comfort when hanging or moving on the ground.

All padding, with varying thicknesses and textures, is designed to give adequate support to all relevant parts of the body.

Technical specifications :

- Ventral attachment with two concentric rings: 1 for connecting lanyards and equipment, 1 for connecting the chest harness and ventral blocker.
- STS opening buckles mounted on the thighs.
- 3 aluminium alloy attachment rings: ventral for suspension, lateral for support and restraint.
- Rear textile restraint ring.
- fitted with a TRACK NFC chip for digital identification.

Models available:

- Size S-L: Waist 80 -120 cm / Thigh 50 -65 cm / Weight 1360 g
- Size L-XXL: Waist 90 -140 cm / Thigh 60 -75 cm / Weight 1420 g

The GT Chest can be fitted with two fall-arrest attachment points (sternal and dorsal) for a complete fall-arrest harness.
