

CLASSIC GREY 25KN 8 SHAPED DESCENDER

<https://www.securhit.com/en/belay-and-descenders/955-descendeur-en-huit-classique-gris-25kn.html>

Classic 8 shaped descender grey

Description

8 shaped descender designed for belaying and abseiling semi-static ropes from 8 to 13 mm in diameter. It allows easy, fluid and regular descents with reduced impact on the ropes.

Composition: aluminum alloy.
