

STORAGE BAG FOR CONTROL ROPE

<https://www.securhit.com/en/lifting/976-sac-pour-commande-ajoure.html>

Storage bag for control rope

Description

Heavy-duty PVC-coated polyester bag for stranded or braided nylon orders or small ropes.

Practical, full-length opening with double-slider zipper and vertical end for easy unwinding of control or rope.

Mesh fabric ends for ventilation and drying.

Features a ring at the bottom of the bag for securing the control and an external loop for the end end carabiner.

Adjustable, removable shoulder strap.
