102P First Aid Cabinet - Fully Equipped Wall-Mounted Medical Cabinet

Description

The 102P first aid cabinet is a complete and professional solution for handling workplace emergencies. Designed to ensure a fast and effective response, it includes all essential medical supplies required to treat minor to moderate injuries, burns, and eye exposure incidents. Robust and functional, this wall-mounted medical cabinet ensures immediate access to first aid equipment in professional environments.

Organized and comprehensive first aid cabinet

The 102P cabinet features two doors and two internal shelves, allowing clear and efficient organization of medical supplies. Its design ensures quick access to essential items during emergency situations. Made of durable PVC, the cabinet offers excellent resistance to impact and long-term use in demanding environments.

Complete first aid kit contents

The cabinet is supplied with a comprehensive first aid kit including:

- 5 pairs of sterile gloves
- 1 face mask with splash protection visor
- 2 bottles of povidone-iodine disinfectant (500 ml)
- 3 sterile saline solutions (500 ml, CE certified)
- 2 sterile compresses (18 x 40 cm)
- 10 sterile compresses (10 x 10 cm)
- 2 sterile dressings (40 x 60 cm)
- 2 splinter forceps
- 1 pack of sterile cotton
- 1 elastic tubular bandage

- 2 boxes of 10 adhesive bandages (PLASTOSAN type)
- 2 adhesive tapes (5 m x 2.5 cm)
- 1 pair of Lister scissors (14.5 cm)
- 3 tourniquets
- 2 instant cold packs
- 2 hygiene bags
- 1 digital thermometer
- 1 blood pressure monitor with stethoscope
- 1 multilingual first aid manual
- Partial or complete restocking of the kit is available to ensure continuous readiness.

Key benefits of the 102P first aid cabinet

- Complete solution for workplace emergency response
- Organized storage for quick and easy access
- Suitable for injuries, burns, and eye exposure incidents
- Durable PVC construction for long-lasting use
- Wall-mounted design for optimal accessibility and space saving
- Easy restocking of medical supplies
