

FORMA EMERGENCY SCISSORS

<https://www.securhit.com/en/first-aid/985-ciseaux-de-degagement-forma.html>

Versatile stainless steel emergency scissors

Description

These versatile first-aid scissors are designed for cutting difficult materials such as seatbelts, clothing or for breaking glass.

Their ergonomic, plastic-free handles ensure optimum comfort and prevent oxidation.

Supplied with a protective pouch, they are an essential addition to any first-aid kit.

Autoclavable.
