TX CANYON shoes LA SPORTIVA

Description

High-performance and robust, the TX CANYON shoe is ideal for canyoning and whitewater activities.

Its water-repellent Ariaprene upper and two exhaust valves on the arch of the foot ensure excellent water evacuation. In addition, thanks to the EasyIN-EasyOUT system, every element of the shoe is designed to speed up drying.

Its VIBRAM Idrogrip outsole with Climbing zone on the toe ensures optimum grip on all types of slippery, wet terrain.

Its Spyral Collar lacing system wraps around the ankle and adjusts with the Tongue-Lock closure strap to hermetically seal the shoe from any external elements.

Technical features:

- Ariaprene upper composed of 4 superimposed non-toxic water-repellent layers with abrasion-resistant TPU outer layer, intermediate lamination layer, 2 mm foam layer for comfort and cushioning effect.
